Compatible Battery List

Declaration:

We SolaX authorize the inverter models are compatible with below brand batteries.

SolaX cannot be held responsible for any communication issues or battery malfunctions that may occur with third-party batteries not listed here.

We strongly recommend consulting the official technical support team in your region to ensure proper assessment and guidance before using any third-party batteries.

SolaX cannot guarantee compatibility with future firmware updates from battery manufacturers after the date of this declaration. However, we remain committed to providing technical support to the fullest extent possible.

Limited Scope of Use: This compatibility letter is provided strictly for use in the following contexts
[France, Spain, Portugal, Italy] only

Issued by: SolaX Power Network Technology (Zhejiang) Co., Ltd.

Date Issued: 2026/7/22

PRODUCTS: X1-HYB-LV 3-6K, X1-LITE-LV 8-12K, X3-NEO-LV 5-20K, X1-RENO-LV 8K, OG Series
